This Week’s FAQs

I made my wish list and have money left over. Can I chip in for more materials? Money from the center budget cannot be combined with outside funds for purchases. The Lakeshore catalog has items of all price ranges, and your coach will work with you to ensure that you order as many items as possible within your budget to help meet your goals.

Okay, but what if I want to order more with my own money? We are excited to partner with Lakeshore Learning for the OLEO! If you are interested in purchasing additional items with your own funds, please contact project manager, Emma Maddox, who can put you in touch with our Lakeshore Learning representative! emaddox@agendaforchildren.org

Do I have to attend more than one PALS session? Yes! PALS is a 4-part series that totals 6 clock hours. All 90 minute sessions are essential components of the OLEO and are required to receive clock hours.
