Week 7: Goal Checkpoint

The orders are in and it’s time to check on those goals! This week your coach will help you plan out ways to use your materials to make the greatest impact!

Need Help? We’re always on hand at outdoorlearning@agendaforchildren.org

REMINDER: WISHLIST SUBMISSION DEADLINE IS OCTOBER 19

This Week’s FAQs

I submitted my wish list but am interested in ordering more items on my own. Can I?

We are excited to partner with Lakeshore Learning for the OLEO! If you are interested in purchasing additional items with your own funds, please contact project manager, Emma Maddox, who can put you in touch with our Lakeshore Learning representative!
emaddox@agendaforchildren.org

Will I receive my items before the cycle ends?

Once your order is approved it is sent to Lakeshore. Shipping and processing times will vary. As your items begin to arrive it is VERY IMPORTANT THAT YOU SAVE EVERY RECEIPT AND PACKING SLIP. Your coach will follow up with you frequently to check the status of delivery. Once all items have arrived, we will collect all packing slips from you as well as "After Photos."

The end is near! This week you and your coach will be discussing the materials you chose and will set up a time for a final coaching session to take place 11/1-11/12. In the final session, we will help you plan for how to set up your outdoor environment, how to differentiate your materials by age level, and will share with you an end of project survey. We'll also review your action plans and goals in Go NAPSACC and help you plan how to keep up the great work on your own!

On November 16th from 12-1:00pm Lakeshore will host an optional session for participants showcasing best practices with their favorite materials.
