This week our coaches are busily submitting your orders and updating paperwork. This is a great chance for you to revisit the Go NAPSACC portal and revisit your self-assessment. What’s improved now that supplies are on the way? What still needs work?

This Week's FAQs

I submitted my wish list but am interested in ordering more items on my own. Can I?

We are excited to partner with Lakeshore Learning for the OLEO! If you are interested in purchasing additional items with your own funds, please contact project manager, Emma Maddox, who can put you in touch with our Lakeshore Learning representative!

emaddox@agendaforchildren.org

Will I receive my items before the cycle ends?

Once your order is approved it is sent to Lakeshore. Shipping and processing times will vary. As your items begin to arrive it is VERY IMPORTANT THAT YOU SAVE EVERY RECEIPT AND PACKING SLIP. Your coach will follow up with you frequently to check the status of delivery. Once all items have arrived, we will collect all packing slips from you as well as "After Photos."
