Agenda for Children & {{Provider Name}}

Section 1: Standard Contract Agreement

This Agreement is hereby entered into effective as of the Term specified below by and between Agenda for Children located at 8300 Earhart Blvd, Suite 201, New Orleans, Louisiana 70118, represented herein by its CEO, Jennifer Roberts (hereafter referred to as "Agenda") and {{Provider Name}} located at {{Provider Address}}, represented herein by {{Director Name}} (hereafter referred to as the "Provider"). Agenda and Provider are collectively referred to hereafter as "Parties" or individually as a "Party".

Whereas, Agenda serves as the Ready Start Network for Orleans Parish, pursuant to Louisiana Bulletin 140;

Whereas, Agenda administers ECEF funds from the Louisiana Department of Education (LDOE) to support early care and education programs;

Whereas, Provider runs a licensed Type III early care and education program in Orleans Parish and wishes to receive funding to increase the number of children served and/or enhance its program quality;

Now, therefore, in consideration of the mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

Article I: CONTRACT AGREEMENTS

1. Partnership Term: The term of this partnership Agreement shall commence on the date of signature by both parties and no earlier than July 1, 2023 and end on June 30, 2024 (hereby referred to as the "Term").
2. Payment: For each child actively enrolled in a ECEF seat, Agenda for Children will compensate the Provider at a rate of \$2,083.33 per month per infant, one year old, and two year old, and \$1,250.00 per month per three year old. Payments will be made

on the fifteenth day of each month for enrollment for the previous month. Official enrollment is to be based on monthly attendance reports, provided by the Agenda Birth to Three Access Team, which will be cross-referenced with attendance submitted by the Provider. Payment will not be made for vacant seats, which are defined as an allocated seat that is unoccupied by a child for longer than 30 days.

Payments will be paid via direct deposit into Provider's account or another type of mutually-agreed-upon electronic method on the fifteenth day of each month minus funds owed resulting from variances in the previous month's official enrollment report and the length of vacancy. Provider agrees to use all funds to support the care and education of enrolled children and may not use Child Care Assistance Program (CCAP) funding or any other funding source for children that are enrolled in a seat funded by ECEF dollars. The award amount stated in this agreement, and the terms herein, refer to funding allocated for the creation of free early education seats for eligible families and is exclusive of additional program support, financial or otherwise.

3. Termination: This Agreement shall be automatically suspended or terminated by Agenda for Children if funds are not made available for this Agreement to Agenda for Children. This Agreement may also be suspended or terminated by Agenda for Children if the State suspends or reduces Agenda's contract for any reason. Agenda will promptly notify the Provider of any such action.
 - I. Agenda shall have the unilateral right to terminate this Agreement as to a Provider during the Initial Term or any additional term in the event Provider fails to obtain and maintain a current child care license. Provider shall provide proof of such licensure to Agenda upon request, and in the event that a Provider cannot provide such proof, Agenda may immediately terminate this Agreement with Provider.
 - II. Agenda shall have the unilateral right to terminate this Agreement as to a Provider during the Term or any additional term in the event Provider fails to procure or maintain any of the required insurance coverages or to fulfill any of its other obligations with respect to insurance.
 - III. Agenda shall have the unilateral right to terminate or suspend this Agreement as to a Provider before the ending date for reasons of default, that is if Provider fails, refuses, or is unable to complete its obligations under this Agreement in accordance with all provisions of the Agreement and all applicable laws and regulations, subject to any consent by Agenda that is required by the Agreement. Contractor shall provide to Agenda valid documentation of compliance with applicable federal, state, and local laws, standards, and regulations within two (2) business days upon Agenda's request for inspection.

- IV. In the event that Agenda deems the Provider to be in default and out of compliance with any provision of this Agreement, Agenda shall issue a written Notice of Default to the Provider and create a Corrective Action Plan. The Notice of Default shall identify the defaults and specify the deadline for the Provider to dispute or correct them and document that they have done so. Except where circumstances require more an expeditious resolution (such as, by way of example only, in cases of danger to children or the fraudulent use of State funds), the Provider shall generally have at least (30) days after notice to disprove or resolve such defaults, as documented in the Corrective Action Plan. The Provider may promptly propose and request discretionary consideration for a longer-term Corrective Action Plan. Unless Agenda otherwise so provides in writing, Provider's facilities will be under an Enrollment Hold pending full documentation that no default exists. If all defaults are not disproven or corrected in a timely manner, the Provider will receive a written Notice of Termination stating the effective date of termination of the Agreement and its funding as to the Provider. However, Agenda reserves the right to deviate, accelerate, or otherwise alter this process in its sole discretion in order to protect the safety and well-being of all children and people in connection with the childcare center or program and to respond to changing circumstances and/or additional information or findings.
 - V. A Provider may terminate this Agreement by giving Agenda written notice of termination if Agenda fails to pay any due amount under this Agreement and such failure continues for 45 days after written notice thereof from Provider.
 - VI. If either the Provider or Agenda moves to terminate for any reason, a prorated portion of advanced funds must be returned to Agenda within 60 days of termination notice. All children will be provided an alternative center assignment based on waitlist offers, location and center availability.
 - VII. If the Provider, including its directors, officers, employees, agents, and contractors, engages in any activity that endangers the life or wellbeing of any child or person, violates a criminal law or another law or regulation, jeopardizes the license of the Provider, or jeopardizes the funding of the program, that violation will be deemed grounds for immediate cancellation of the contract at the sole discretion of Agenda.
 - VIII. The Provider and Agenda agree that if a dispute directly or indirectly arises out of or relating to this Agreement, the parties will attempt to settle the dispute through good faith negotiations with each other.
4. Changes in Funding: At any time during the contract term, Agenda shall have the right to reduce the number of seats or the funding award to a Provider in the event of

underutilization of the Provider's services or in the event that funds become unavailable. Similarly, Agenda shall have the right to increase the number of seats or the funding award to a Provider in the event of redistribution of vacant seats from other locations or an overall increase in the total number of program seats. All seat reductions and increases shall be at the sole discretion of Agenda. Changes in seat awards will be executed through an Agreement Amendment signed by Agenda and the Provider.

If providers are not in full compliance, Agenda will implement corrective measures commensurate with the severity of the non-compliance, up to and including immediate cancellation of this Agreement at Agenda's sole discretion. Agenda will create a Corrective Action Plan to cure instances of non-compliance that do not threaten the safety or well-being of children, program staff, or any person while in connection with ECEF funding. While circumstances are unique in every situation, Corrective Action Plans will generally be administered according to the following process, however, Agenda reserves the right to deviate, accelerate, or otherwise alter this process in its sole discretion in order to respond to changing circumstances and/or additional information or findings.

- 1. Step 1:

- a. Provider will receive a written Notice of Default outlining the areas that are out of compliance (e.g., required documents are not submitted within 45 days of enrollment, attendance is inaccurate or incomplete, student enrollment and drop policy requirements are not being followed, sites are not participating in mandatory coaching or professional development).
2. Step 2:
 - a. Agenda will schedule a meeting with providers to create a Corrective Action Plan. Throughout the Corrective Action Plan period, an Agenda representative will provide additional support to ensure the provider is applying action steps to correct the area of non-compliance. Agenda representatives will conduct a follow-up meeting in 30 days to reevaluate the situation and providers progress.
3. Step 3:
 - a. After the conclusion of the initial Corrective Action Plan, if the non-compliance has not been corrected and/or additional instances of non-compliance have been identified, the provider will be put on probation for the remainder of the school year. Agenda will meet to determine continued funding to the Provider.

Section 4: CITY SEATS TO ECEF CONVERSION

Provider understands and agrees that in the case that NOLA Public Schools found any returning City Seats (CS) children at their site who were eligible for an ECEF seat prior to October 10, 2023, these children, beginning in October 2023, will be transitioned from City Seats to ECEF and will be reclassified as “CS-ECEF Dual Credit” children.

These children will be enrolled in both City Seats and ECEF for October and November and then only ECEF beginning in December. Provider will receive a full City Seats payment for these children on October 1, 2023 (for October enrollment) and on November 1, 2023 (for November enrollment) and a full ECEF payment on November 15 (for October enrollment). The funding source for these children will then switch from City Seats exclusively to ECEF for the remainder of the program year beginning with December enrollment, which will be paid on January 15.

Provider understands that any child converted from a City Seat to an ECEF seat for the 2023-2024 program year remains eligible to receive comprehensive wrap around supports, as memorialized in the “Memorandum of Understanding: 2023-2024 NOEEN City Seats Provider Agreement” previously signed by Provider. As a material term of this Agreement, Provider agrees that Provider will ensure that the families of all children converted from a City Seat to an ECEF seat are aware of their child’s continuing eligibility to receive comprehensive wrap around supports and are aware of how to access those supports.
