THE LEADERS EXCHANGE

Professional Learning Community for ECE Leaders

The ECE Leaders Exchange is a Professional Learning Community (PLC) created especially for Early Childhood Education (ECE) leaders. It serves as a space to share ideas, explore new strategies, and grow together as a community of learners. Through ECE Leaders Exchange, leaders have the opportunity to voice concerns, collaborate with peers, and develop innovative solutions that strengthen their work. By connecting regularly, participants not only gain practical strategies but also build a supportive network of colleagues who understand the unique challenges of leading in ECE.

The benefits of the Leaders Exchange:

- Monthly In-Person Sessions
- Monthly Coaching Sessions
- Meet & Greet Kick-off
- Leader driven topics where leaders can learn from one another
- Stipend Upon Completion
